
Prayer begins at home and in our neighborhoods

- **Pray** for your neighbors by name, considering their physical and spiritual needs, concerns, and health. Ask the Father what He is doing in your neighborhood. While you are walking and praying, engage any neighbors you may meet along the way.
- **Wait** on God. Your Father is already at work in your neighborhood. Wait for Him to invite you into what He is doing. This is a waiting with great anticipation.
- **Watch** to see what the Father is doing. As you are praying, He may reveal things through something He puts on your heart or speaks to you, as you talk to a neighbor, or as you see a need.
- **Join** your Father as He invites you into what He is doing in your neighborhood. Enjoy the adventure!

"Devote yourselves to prayer, being watchful and thankful...Be wise in the way you act toward outsiders; make the most of every opportunity."
Colossians 4:2, 5
