

# *Hey neighbor! I can help.*

**Since you are my neighbor, I want you to know...**

The Coronavirus has brought a lot of stress and anxiety and panic. If you get sick or feel you shouldn't go out due to vulnerability and you run out of toilet paper or anything else, let me know and I will do my best to get whatever you need. Please let me know if there is anything I can pray about for you or your family members. Just call or text me!
